Statistics	_____	_____	_____	_____
Life Science	_____	_____	_____	_____
Technical Electives	_____	_____	_____	_____
	_____	_____	_____	_____
	_____	_____	_____	_____

TOTAL (minimum 30) _____

Additional course requirements for PhD students:

- PhD students must satisfactorily complete BIOMEDE 599.003 - Prof Skills for Grad Success in their first term. This course is graded S/U and does not count toward the MS degree.
- PhD students must satisfactorily complete (B or better) a minimum of 9 credit hours of letter-graded coursework beyond those which are required for a MS degree including making a prior MS degree relevant. The list of courses approved by the Research Advisor must be emailed to Maria Steele before the PhD degree will be awarded. Please note that an advisor may require their student to take more than 9 credit hours.
