

DEPARTMENT OF BIOMEDICAL ENGINEERING
PETITION FOR EXTENSION OF TIME TO
TAKE THE QUALIFYING EXAMINATION

The guidelines in the Department of Biomedical Engineering at the University of Michigan state that students must take the Qualifying Examination within one year of completion of the M.S. degree or within one year of entry into the program for students who enter with an equivalent M.S. degree. Students who have not met this requirement will need to request an extension by submitting this form to the Graduate Education Committee (GEC). The form must state the reason for the delay and the date by which the exam will be taken. Please note that although a student's petition may be approved by the GEC, the student may be exceeding program deadlines.

Outline and provide support for your request below.

Student's Signature/Name Printed _____

Student's UMID _____

Date _____

Research Advisor's Signature/Name Printed* _____

* I have met with the student to discuss this petition. My signature indicates that what the student requests appears to be a reasonable approach. I leave it to the GEC to determine if it is consistent with department policy.

TO BE COMPLETED BY THE GEC

_____ approved

_____ not approved

Date _____

Department Chair's Signature _____
